Statement of Reasons for Making

Wokingham Borough Council (Toutley Road and Longdon Road, Winnersh) (40mph Speed Limit) Order 2025

Wokingham Borough Council, order to improve road safety and facilitate the passage of traffic, proposes to make the above-named order which seeks to formally assign a 40mph speed limit to part of Toutley Road and part of Longdon Road in Winnersh. The

The existing 30mph limit on Longdon Road is not reflective of the road's function, layout, or surrounding environment. Increasing the limit to 40mph brings it in line with the road's physical design and typical driving behaviors, promoting consistency for road users.

The proposed measures have been subject to consultations with local councillors representing the area and the local police.
