Full details are given in the Parent's Guide to Secondary School Admissions in the Wokingham Borough

Children with statements of special educational needs or an Education, Health and Care Plan that named a school in the statement or plan were admitted to the school that is named.

Oversubscription Criteria:

- A Looked after children and children who were looked after, but ceased to be so because they were adopted or became subject to a residence order or special guardianship order (previous looked after children) – [seen note 1 in the Parent's Guide](#)
- B Families who have exceptional medical or social needs as the grounds for their admission to a particular school – [see note 2 in the Parent's Guide](#)
- C Children whose permanent home address is in the school's designated area and who has a sibling at the school, at the time of application, who is expected to be attending the school when the child will enter the school – [see notes 3 and 4 of the Parent's Guide](#)
- D Children whose permanent home address is in the school's designated area
- E Children whose permanent home address is outside the school's designated area and who has a sibling at the school, at the time of application, who is expected to be attending the school when the child will enter the school – [see notes 3 and 4 of the Parent's Guide](#)
- F Any other children

If the school does not have sufficient places for all children in any category A to F, places will then be allocated based on the radial distance between the home and the school (straight line measurement). All measurements are undertaken consistently using the computerised mapping system used by the council's School Admissions Team and the distance will be measured as a straight line between the Land and Property Gazetteer address points for the respective home address and school. Living in the designated area does not guarantee a school place as there may be more applications from parents living in the designated area than places available.

The guide also provides additional notes to the above oversubscription criteria.

The policies, including oversubscription criteria, for own admission authority schools – Bohunt School Wokingham, The Emmbrook School, The Forest School, The Holt School, Maiden Erlegh School, Oakbank School, The Piggott School, St Crispins and Waingels College are available in the Parent's Guide.
